

BOARD OF CAMP AND RETREAT MINISTRIES
Conference Camp Scholarship

SCHOLARSHIP INSTRUCTIONS: You are welcome at camp, regardless of your ability to pay. If you want to be here, we will find a way to make it work! Here are the steps to make camp affordable for you:

1) Tiered Pricing Support

When you register for camp, start by selecting Tier A (if available). This price gives you a subsidy with no additional forms to fill out or contacts to make.

2) Camper Payment

We know that people value what they pay for, and we want you to value your camp experience. It is highly unusual for us to provide a full scholarship to a camper. We trust that you know your situation better than we do, and will be honest in paying what is reasonable for you. *(This line often ranges from \$50-\$250)*

3) Local Church Scholarship

Churches are usually excited to hear that you want to go to camp! Talk to a pastor to see if the church (or a few members) can help provide a scholarship for you.

4) Conference Scholarship

For generations, people have been donating to our scholarship fund so that you can join us this summer! If you need further support, complete this form. Then gather all payments, your registration form, and this paper, and send it to: W8301 County Rd M., Westfield, WI 53964. Or make it even easier and register online at www.WIUMCamps.org/registration.
